

# How to Build Websites & Earn \$500-\$1,000 Using StormerHost (2025 Guide)

By Carrick Joshua Studio - July 08, 2025

## Why Website Building Is a Great Side Hustle in 2025

- Every business needs an online presence
- No coding required thanks to modern tools
- High income potential with low startup costs

## Tools You Need to Get Started

- StormerHost.com: Domain & Hosting (affordable and reliable)
- WordPress.org: Website Builder (free)
- Elementor: Drag-and-drop design tool
- Canva.com: Design visuals and branding
- WPForms: Simple forms for contact pages

## Step-by-Step Guide for Beginners

1. Pick a niche: salons, churches, fashion brands, coaches
2. Visit StormerHost.com to register your domain & hosting plan
3. Use cPanel to install WordPress (1-click install)
4. Choose a theme and use Elementor to build pages
5. Add contact forms, WhatsApp integration, and social media links

## How Much Can You Charge?

- Basic website (Home, About, Services, Blog, Contact): \$300-\$500
- Logo design and branding package: +\$100
- SEO and Google indexing setup: +\$100
- Client training and support: +\$100-\$300

## **How to Find Clients**

- Facebook business groups in Ghana and Nigeria
- WhatsApp broadcasts and status marketing
- Referrals from family, churches, and NGOs
- LinkedIn outreach to entrepreneurs
- Freelance sites like Fiverr or Upwork

## **Grow from Side Hustle to Full Business**

- Build your portfolio with 3-5 completed sites
- Offer monthly maintenance (GHS 100-200 per client)
- Sell premium upgrades like blog setup, SEO, or e-commerce
- Get listed on CarrickJoshua.com and promote your work
